City & Guilds 2382-20 17th Edition Wiring Regulation - Update

Who is the course for?

Practising electricians with specific qualifications who need to update their certification to meet the latest edition of the IEE Wiring Regulations BS 7671:2008.

What is the course going to cover?

The course will provide students with:

- The opportunity to gain an appreciation of the 17th Edition IEE Wiring Regulations (BS7671:2008)
- An explanation of the new format and numbering system
- Details of new material included the new edition of the wiring regulations
- Information about a number of important technical changes from the 16th Edition of the IEE Wiring Regulations (BS7671: 2001)

What are the entry requirements?

Possession of any of the following:

- City & Guilds Level 3 Certificate in the requirements for electrical installations, BS 7671: June 2001 (2381)
- City & Guilds Level 3 Certificate in Electro-technical Technology Installation (Building & Structures) (2330-07)
- City & Guilds Level 3 Certificate in Electro-technical Technology Maintenance (2330-08)
- City & Guilds Level 3 Certificate in Electrical Installation Part Two (2360) (from January 2004 onwards only)
- City & Guilds Level 3 Certificate in Electrical Installation Engineering (2351) only if achieved as part of an Electro-technical Advanced Apprenticeship completed post January 1st 2004

Progression

- Could lead to employment as an electrician
- Could lead to a career as an inspector or surveyor.
- You could also move on to qualifications in Inspection, Testing, Design and Certification of Electrical Installations (2392).

How long will the course take?

1 Day which includes a one hour online examination (sat on the same day) at the college's state-of-the-art workshop situated at our Holly Hill Campus.

How much will it cost?

£250.00 - which covers registration, exam fees, certification as well as copies of the following mandatory publications:

- 17th Edition Wiring Regulations BS 7671: 2008 (*required for both training and exam*)
- City & Guilds Exam Success IEE Wiring Regulations 2382-10 (*required for training only*)
